

## **Benita Altier, LVT, VTS (Dentistry)**

[www.pawsitivedental.com](http://www.pawsitivedental.com)

Benita Altier is a Licensed Veterinary Technician as well as a Veterinary Technician Specialist in Dentistry. She began her career in veterinary technology in 1988 and has worked in small animal general medicine, ophthalmology, equine and llama neonatal care, canine reproduction and dental specialty.

Benita is the current President of the Academy of Veterinary Dental Technicians, and a Member at Large for the Arizona Veterinary Technician Association. She has co-authored two text books on veterinary dentistry for technicians as well as published several articles on the subject in professional journals. Through her business, Pawsitive Dental Education LLC, she has provided professional dental instruction and consultation to veterinary hospitals and conferences across the US, Canada and China since 2008. Giving back to the profession and helping veterinary technicians grow their careers in ways they never thought were possible, is something she is very passionate about.
