

Tasha McNerney
BS, CVT, VTS (Anes), CVPP

Tasha is a Certified Veterinary Technician from Pennsylvania where she works as an educational consultant and relief anesthesia technician. Tasha is the founder of the Veterinary Anesthesia Nerds, while also a Certified Veterinary Pain Practitioner and board member of the International Veterinary Academy of Pain Management (IVAPM) to educate the public about animal pain awareness. In fact, Tasha was the thought leader behind the now celebrated “Animal Pain Awareness Month” within the veterinary industry.

Tasha became a veterinary technician specialist in anesthesia in 2015. Tasha loves to lecture on various anesthesia and pain management topics around the globe and was recently named the VMX 2020 speaker of the Year.

Tasha has authored numerous articles and textbook chapters on anesthesia and analgesia topics for veterinary professionals and pet parents.

In her spare time Tasha enjoys reading, spending time with her husband and son, and recording the Veterinary Anesthesia Nerds Podcast.
